## *First Family* by David Baldacci

Former Secret Service agents turned P.I.s Sean King and Michelle Maxwell investigate the kidnapping of the First Lady's niece after a Camp David birthday party. Baldacci has an uncanny writing ability to make the implausible seem real, such as a primary protagonist Sam Quarry, who takes on the U.S. security system from his Alabama hideout. Baldacci's expert plotting and knowledge of security procedures transform a thriller into a top-notch reading experience.
