## *Twilight* by Stephenie Meyer

Teen Bella Swan is new in Forks, a small rainy Washington State town. She's in danger of sleepy small town monotony until she meets Ed Cullen. Cullen just happens to be a teen vampire, who, up until now, has managed to conceal his nature. However, now nobody is safe, especially his new love interest, Bella herself. Cullen has an internal battle to wield between his love for Bella and his own predatory instincts. When invading vampires arrive and are after Bella, the lovers' situation becomes even more complicated.
