

# **MAY 1** **“WHAT THE** **HEALTH”** **SCREENING**

**Location: AMC Aviation 12 — 1200 S Stiles St,  
Linden, NJ, United States, 07036**

Come join me, Monica Toca, on this one night only screening event on May 1 at 7:30 pm to finally know the secret that's been hidden from us about our health in our generation. This documentary will not only educate you but it might just save your life. It's time you know the real **TRUTH** on what's killing us and our planet. Share this opportunity with friends and family. This screening can be successful if YOU attend. For more information and to reserve your tickets by April 24 go to: [www.tugg.com/events](http://www.tugg.com/events) and simply add your zip code to locate the event. Donations for the Barn Sanctuary will be displayed on the event page. You won't regret it, you'll only wish you knew sooner.

**Ever wonder why there's so many organizations and fundraisers to finally end any health disease known to exist but yet we STILL are asked for more money to find that cure?**

**What if there's a secret hidden about the medicines that are supposed to heal us?**

**Maybe it's not a drug or a kind of medicine that can heal us but more of what we are consuming on our daily basis.**
