Free Early Developmental Screenings

13% of children in the United States have a developmental delay and many are not identified by the time they enter kindergarten.* Join the experts from Children's Specialized Hospital for a FREE, quick developmental screening for children ages 1 to 5 years old. Valuable resources for parents curious about early childhood development will be available.

REGISTRATION IS HIGHLY ENCOURAGED.

Walk-ins are not guaranteed an appointment. Space is limited.

Please call for more information or to schedule at **908-301-5498**
