# Annual (3MV) Fall Retreat

The 3MV retreat is a weekend getaway for gay and bisexual men of color, ages 18+. This is a great opportunity to meet and work with many other young men from all over NJ and form lasting friendships. The weekend consists of team building activities, community mobilization strategies and sessions towards increasing participants knowledge around HIV/STI prevention and PrEP awareness. Come learn about relationships, HIV/STD transmission, prevention and treatment options, power dynamics, tops, bottoms, verse, and so much more.
