

Resource List For LGBTQIA+ Reading

This handlist is a work in progress intended as a resource for readers wishing to study works either:

By LGBTQIA+ authors

On LGBTQIA+ topics

The list features books in the Adult, Reference and Young Adult Sections of the library. It does not include material from the Children's Library, nor Library archive materials. The majority of the books listed (with the exception of Reference items whose location code is prefixed with 'R') may be borrowed by patrons for home consultation.

This list is not exhaustive: there are undoubtedly further authors and materials as yet not added to this list, and more will continue to be added from time to time as we acquire new books or set aside time for further research. For simplicity's sake the list is presented sorted alphabetically by the surname of the main author as identified by the item's library catalog record. For a more easily-manipulated digital copy of this list as an Excel file, please contact reference@plfdpl.info (908) 757-1111 x112 and ask for the 'LGBTQIA Booklist Resource file'.

We hope you find this resource helpful.
