Plainfield Public Library

800 Park Avenue

Saturday, March 16th at 1:30 pm in ALD

During World War II, more than 1000 women volunteers completed the WASP military pilot training program.

Presenter Carol Simon Levin tells the story of the amazing WASPs through the eyes of **Ann Baumgartner Carl**, the Jersey girl from Plainfield who trained as a WASP, became the only American woman to test-fly experimental planes during the war, and the first American woman to fly a jet airplane!
